

# Salamander Collection

**Come to South Africa** for the ultimate safari experience on a working holiday at a safari game lodge! Wildlife research projects also available.

**Salamander Working Holidays** specialises in placing you at the ideal safari game lodge in South Africa according to your personal needs. Accommodation, meals and game drives included

“Going on a working holiday in South Africa is an experience not to be missed. I can safely say that I made friends for life and am counting the days until the return trip. From the inspiring people to the incredible landscape and the diverse wildlife, you’re bound to find something which catches your imagination and makes you not want to leave.” Johanna S, London, UK

## WE PRIDE OURSELVES IN:

- Going the extra mile by finding the best possible lodge suitable to your needs.
  - Preparing you for the best possible experience by providing ample information, which includes:
    - An in-depth briefing on the safari lodge so you always know what to expect.
    - List of lodge personnel so you can get to know them before you even arrive!
    - Detailed packing list including clothing and other essential items.
  - Offering a welcome pack with a South African sim card ready for use with your mobile phone and a few other necessities.
  - Assisting with transportation to and from the safari lodge, if applicable. This includes road transfers or arranging transport directly with lodge. The driver will be ready and waiting upon your arrival at the relevant airport in South Africa.
- Facilitation and telephonic support in South Africa for the duration of the placement, we are always there for you.
- Being South African with decades of experience in the management of lodges and the invaluable contacts we have made over the years.
- We have a hands-on work ethic and are passionate about making sure that you have everything required for a successful working holiday.

## FLEXIBLE DATES FROM 1 - 3 MONTHS. OPTION TO TRAVEL IN S.A DURING YOUR PLACEMENT.

**You get to experience what it's like to live and work in the bush!**

- See Big 5 Wildlife
- Make new friends
- Be part of a safari team
- Excellent photographic opportunity
- No visa required for up to 3 months
- Learn new skills and take home amazing memories
- Different options available from horse riding safari lodges to Big 5 lodges to wildlife research projects
